

SHIVAM TIWARI

Fervent Believer in Variety & Range of Human Capacity.
Working towards furthering that faith in India since 2011.

I have enjoyed great professional alignment over the last eight years and my situation requires me to move to Canada (Toronto specifically). I am seeking a belief as strong as my current job. I am keen on leveraging my skills & experience to raise new departments or scale existing ones.

My ability to explain technical processes & inform non-technical stakeholders is rare. I function best in Start-up environment. I listen to understand and speak only when I really need to.

PROFILE

Currently working as Director at Scraplabs, consultant for two Atal Tinkering Lab chapters funded by Govt. of India and director of a Marine maintenance company.

Inclined to explore Education Travel, Outdoor Leadership and Sustainable Tourism in near future.

Immigrating to Canada (Toronto) in mid-2019. Lived in ten cities (eight states) so far. Travelled to 18 states & 3 countries via road.

HOBBIES

Twice a year I travel solo with my Enfield 500 on intercontinental range biking expeditions.

I like swimming, listening to music and reading blogs in my personal time. I also have keen interest in adventure sports. I am fond of storytelling and love sharing my travel experiences during in-person conversations.
